DIARY NOTES

1. Colonel Archie Lewis called from the Air War College at Maxwell Field to request that I reserve a date on the Director's calendar for 25 April 1960. They want him to come to the College to participate in a national forum at that time. I told him that I would do this but suggested that they invite the Director without delay if they really wanted him to come. (On 21 October 1959 [REDACTED] told me that Colonel Lewis had also called his office and that he would take care of this matter from here on.)

5. I authorized Jim Garrison to pay the contractor for an hour and a half during which period he would not work on the 3rd of November in order to allow adequate time for our Cornerstone Ceremony.

6. Jim Cunningham was in to ask my approval for a whole series of transfers and reassignments in the Development Projects Division. He did not want these to go before the Administration Career Service Board. I declined to approve of his request without the Board's approval and he agreed to give me a memorandum requesting the transfers which I will ask the Board to consider.
